E435

ultimate

luxury touring

The five model Bessacarr E400 Series has a stunning new exterior look with full overcab GRP moulding, stylish moulded rear light panel and a gloss white front bumper complementing the class-leading performance of new Fiat X2/50 Ducato, available with powerful and economic 100 or 130 MultiJet diesel engines.

The two sporty Low-Line models and three High-Line models with large lift-up aluminium framed bed are all stylish and well designed.

E410

E435 TV shown is for show purposes only and is not part of the specification

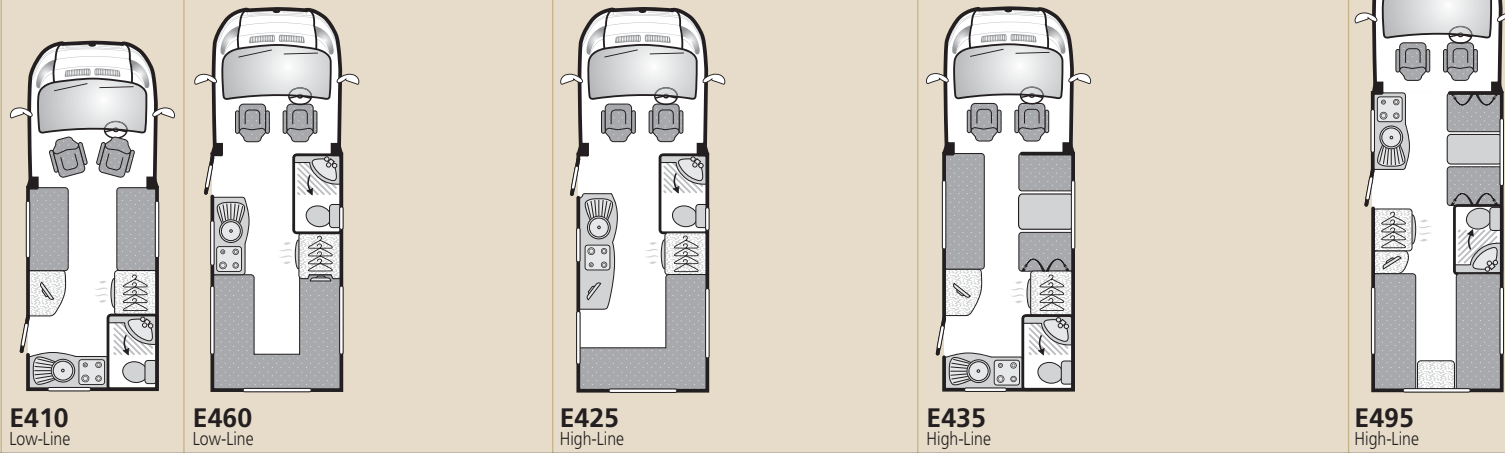

classic interior styling

Interior luxury is taken to new levels to ensure maximum appeal for people demanding a high standard of comfort and finish. All layouts enjoy completely new interior styling with new soft furnishings, 'Ferrara' light oak woodgrain and hardwood framed locker doors, which are unique to Bessacarr, as well as strong and light 'spaceframe' locker construction.

A MEMBER OF THE SWIFT GROUP

Individually styled
Beautifully built

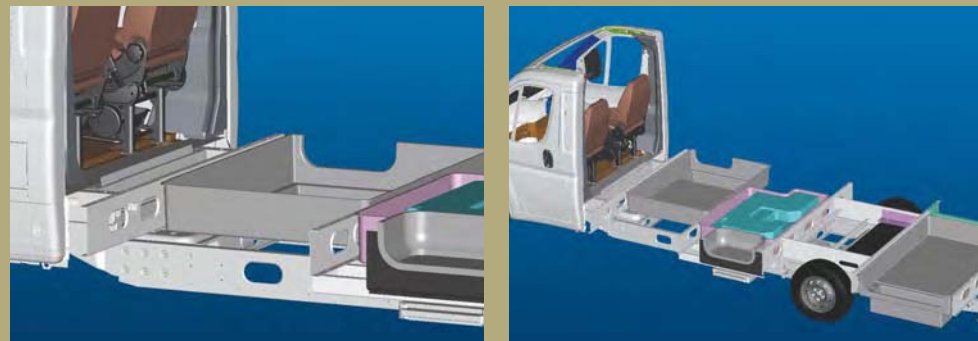

All Swift Group models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation. Every Bessacarr motorhome carries the "NCC Approved Motor Caravan" badge. The NCC also conduct unannounced inspections at the Swift factory to ensure continued compliance. NCC Approval gives you peace of mind that your motor caravan is legal and safe.

All Bessacarr motorhomes are European Whole Vehicle Type Approved.

We believe that the Swift Group is currently the only UK manufacturer to have this approval. This is your assurance that these motorhomes meet all European regulations, and have been constructed and conform to approved standards of safety and manufacturing.
