the definitive family caravan

A perennial favourite, the Elddis Avante has been redesigned and enhanced to ensure your complete satisfaction. We've listened to customer feedback and for 2010 we've brought you a touring caravan of distinction, with flair and functionality in abundance. All-new Avante sets a new benchmark for family caravanning, with a range that is unmistakably Elddis.

This season sees the Avante take centre stage, with the launch of four incredible new models, including: a fixed-bed, end-washroom single axle (540); a triple-bunk and children's rear dinette 6-berth twin axle (556); a compact, lightweight transverse end-bunk 4-berth single axle (464); and the unique Avante 646 with triple-bunk and side dinette for four (launching October 2009).

Avante 556

Avante 556

The 2010 Avante range comes with a choice of 3 up-to-the-minute upholstery finishes and ten impressive layouts, including the exclusive new Avante 646 planned for mid-season launch. Whatever your lifestyle, there's an Avante that's perfectly designed for you!

Avante 362

Sprung upholstery with new curved seating look and feel great. Bunks are improved for a more comfortable night's sleep. Fixed double beds come with a sumptuous sprung mattress and a special memory foam upgrade option. Beds are easy to lift, with access to invaluable storage. Truma blown air heating to washrooms and bedrooms keeps you cosy all year round.

Packed with every creature comfort, the Avante exudes quality you would simply not expect from such an affordable range.

entertain

Relax and unwind to the sound of your favourite radio station or listen to your latest i-Pod downloads. A variety of family layouts to choose from ensure that your little ones – and hard-to-please teenagers – have their own space to play or chill out. You can stretch out and watch TV, whilst they're engrossed in the latest DVD

or video game in their very own 'den'. The Avante range is designed to suit your family's demands, creating an altogether better holiday experience.

With the Avante Entertainment Pack option, you can upgrade to DVD, satellite and solar panel connectivity.

Make the most of your free time with the Avante Outdoor Pack option, which includes: awning warmer; gas barbecue point; exterior 240v point; and a practical exterior shower hose – perfect for quick clean ups after the day's outdoor pursuits and for hosing down mucky dogs after long country walks!

style

New Elddis exterior graphics boldly adorn the latest model, whilst inside the cool, curved contemporary upholstery sets your tourer apart with its class-leading design. Mirage silver alloy wheels, hardwood framed curved locker doors and luxury hardwood edged worktops belie the Avante's very modest price tag.

Elddis

freedom
with flair

For the times you're craving a quick snack or have invited friends to dinner, the Avante is ready, willing and able!

The Avante's graphite finish Thetford fridge is a cool new design, ideal for all your ingredients and ice cold drinks. The Spinflo Prima oven is capable of a full Sunday roast, the 3-burner hob handles even a wok and the microwave is a great time-saving ally.

All Avante kitchens have a sleek stainless steel sink with integral drainer and appliances come with Chinchilla glass covers, which not only look the part but also provide you with virtually indestructible food preparation

space – a must for budding chefs and their kitchen helpers!

Further improvements in the 2010 Avante kitchen include an indispensable double electrical socket.

wash

Avante 540

End-bathroom Avante models have been completely revamped for 2010, giving you a spacious, practical and luxurious washroom experience. In this well thought out space you'll find thicker domestic style bathroom doors and deeper basins, with beautiful chrome accessories. All Avante models come with a Whale inline water filter and submersible pump, Truma water heater and Thetford swivel toilet with electronic flush.

The Avante may be beautiful, but it is also built on the most solid of foundations. Elddis use only BPW Swing V-Tech chassis, which we believe to be the very best available, giving you improved ride quality, enhanced cornering stability and enhanced high-speed towing stability through constant dynamic self-steering.

The all-new Elddis range is designed for minimal effort and maximum enjoyment

Hitching is made quicker and easier with Elddis' exclusive Easy Brake from BPW. The comfortable brake release is a single lever operation, with no awkward push button and has an integrated shock absorber and track stabilisation. The Winterhoff WS3000 stabiliser provides outstanding stability control in sway and pitch and all-round better driving comfort.

You may choose BPW's innovative and industry-leading Intelligent Drive Control (iDC), which is an option exclusively available on Elddis touring caravans. With an automatic anti-snaking device, the iDC system detects any risk of snaking and gives you safe course correction in seconds. Its unique Failsafe Function ensures

that your iDC works seamlessly, even in the event of a power failure.

All Elddis touring caravans are packed with practical features to make your journey and stay stress free.
